: Hello,

: I see from the release notes that HDF routines are available with IDL. However, I
: cannot find these routines, though there is a nice listing in the help. I have looked
: through all installed directories without success.

: 1) Can anyone tell me where to find these?

They're built into the interpreter (just like sine, cos etc.) in version 3.0.0
and later.

: 2) Has anyone written any nice extensions?

: Thanks in advance,
: Jeff
