Most usenet FAQs are available for ftp from rtfm.mit.edu -- see
<ftp://rtfm.mit.edu/pub/usenet/>. This group's FAQ is
<ftp://rtfm.mit.edu/pub/usenet/comp.lang.idl-pvwave/I_(I_D_L)_F>.

I'm sure this is true. And, from the FAQ itself ...

This file can always be found at esrg.ucsb.edu [128.111.228.1]
in pub/idl/idl-faq. A URL entry for this file would look like:

file://esrg.ucsb.edu/pub/idl/idl-faq

: Does there exist one?

Yes, a copy can be found in
rtfm.mit.edu:/pub/usenet/comp.lang.idl-pvwave. I believe it is also
posted regularly, here.
