It has emerged that the file selector routine in GRAFFER (GR_PICKFILE) will not work under IDL 5.0.

As interim fix, GRAFFER users should download an updated version from:
http://www.sr.bham.ac.uk/~sjt/graffer/gr_pickfile.pro

For new users, the distribution has been updated:
<file://ftp.sr.bham.ac.uk/pub/sjt/graffer-2.00a.tar.gz>
