Hello!

Thank you very much, now not only an orange rectangle... :))))

But 2 other problems occured.... :(((

- the resolution of the printed postscript is very :(((to, like gif.....
  how get a 'nicer' picture...?

- something goes wrong with the colormap.
  on the screen I have colors from blue to red, on the ps only from
  blue to yellow...??
  whats going wrong..?

Regards, Astrid
