Hi Folks,

Here is a piece of good advice for you: Don't ever go into
the book business!

I'm going to be sued for misrepresentation when people look
at that smiling photo of the author in the About the Author
section. What I look like now is a haggard old fart who has
aged about 15 years since that photo was taken a couple of
months ago.

Here is the latest bit of bad news. The binder broke after
the first 30 books were finished. It's expected to be up
and running in a couple of days.

I am really sorry for the delays. That damn coyote just
won't quit with me!

Cheers,

David
