Uh, *why*?!

There are a couple of people in this newsgroup who are going
completely over the edge. Get a grip, folks. It is Friday
night for goodness sake.

Keep an eye on my web page for an announcement of an IDL
12-Step Group. We will be meeting on Friday evenings and on
all holiday weekends from now until the end of the year. :-)

Cheers,

David

P.S. I get a VERY thin window on my machine. :-)
