Hi all -

The IDL FAQ has changed locations to http://la.znet.com/~mgs/idl_faq.html.
Only minor changes have been added.

I got a message last week from one of our newsgroup members (Hi Kevin) informing me that the previous location was no longer valid. It was supposed to be valid through 7/31/98, but my previous ISP apparently didn't care to respect my wishes. Sorry for any inconveniences.

Regards,
