Hi all -

The IDL FAQ has been updated and is available at http://www.ivsoftware.com/idl_faq.html. You can also obtain it via email auto-responder by sending email to faq@ivsoftware.com. Be sure to turn off any email spam spoofing you may be using.

Additions and changes to the FAQ are:

Changes in version 4.09:

G18. Can I get the FAQ by email?

G04. What is the current version of IDL?

Additions in version 4.09:

T32. How can I read tables (or columns or lines) of data from an ASCII file?

T33. How can I display images on a map projection?

T34. Are there faster, more robust, or more flexible versions of CURVEFIT available?

T35. How do I ... with a 24-Bit Display?

T36. How do I ... with PostScript?

T37. How can I launch an IDL application by double-clicking an icon?

Regards,
