By popular request...

'Lord of the Sabbath'

Very good humour! I never got the punchline.

Now an even more popular request. Go peddle you crap else where. Maybe a good place to start is in one of those monstocities that billions have been spent on with the pretty stain glass windows and the elaborite decor. Huge wind organs.

"gonna buy me a place in heaven"

Buy the way i decoded your name and the number of your name happens to calculate to a number and that number is 666.
