Subject: library update Posted by Martin Schultz on Tue, 23 Feb 1999 08:00:00 GMT View Forum Message <> Reply to Message

Hi all,

after more than 1/2 year, I finally forced myself to update my IDL web pages (address below). There are several new routines and updates in my tools library and a few minor fixes to EXPLORE. I still couldn't find time to make the whole thing look nice.

Hope you find these routines useful - as always I'd be happy to hear positive feedback and bug reports ;-)

Best regards, Martin.
