I, your humble idl-faq editor, am moving on to a new position within my company and I will be out of the IDL world for the indefinite future. More importantly, I will no longer be the administrator of jaameri.gsfc.nasa.gov, the current home of the idl-faq. Therefore, I am asking for a new volunteer to maintain and post the faq. Such a person would ideally be (1) an IDL user and (2) be able to offer the faq over anonymous ftp.

There's not a whole lot of work involved with it right now. I post it on or about the 15th each month.

If you're willing to take on the job, please let me know.
