Guys,

This type of "humour" is actually offensive to a large population (we are on air world-wide, ok?) and has no place in a professional user group such as this.

Cheap shots about religious figures may constitute harassment in many legal jurisdictions around the world, when the material ends up in company or government email banks. But it shouldnt be necessary to refer to legal restrictions - commonsense and courtesy are surely sufficient in an educated international group.

<p>Regards to all,

Michael Asten
