In article <37124B1B.73391DCB@ssec.wisc.edu>,  
Liam Gumley <Liam.Gumley@ssec.wisc.edu> wrote about simplifying the  
Fortran-IDL interface.

Hi Liam, That was a really nice summary of what needs to be done in  
order to make such a tool. Although I would find it interesting to work on  
such a tool (mostly to learn something new), I do not have the time to  
devote to it. It looks like a full time job to me.

Just a short note.  
Rose
