> David: are you dealing with these issues in your forthcoming book?

Uh, no. I'm still trying to get through the great blocks of text in your article. Even with my glasses on, my eyes are crossing.

You are just _starting_ with objects, did you say? :-(

Cheers,

David

P.S. I'll have to give this article some thought. (Actually I'm stalling to see if I can't get JD to jump in here.)
