Subject: ENVI Raster editing Problem
Posted by <asowter on Wed, 02 Jun 1999 07:00:00 GMT

Hello,

As a new user to ENVI I am experiencing a few problems - can anyone tell me
how I can 'fill' a ROI with a set value? I would like to define this value.

Are there a set of Raster editing tools as with ERDAS Imagine?

Thank You

Caroline Ward
