Very tentative itinerary yet, and we are still negotiating a second mortgage on the house so we can afford to take everyone but the dogs, but we plan to start in Berlin. On to Munich for a couple of days. Over to Lake Constance and then up to Heidelberg to sample the Rhineland. I have to be in the UK about 5 days later, so we have a bit of free time and are looking for suggestions. I've been in Hamburg once--beautiful city--and my oldest son, the German student, is very keen on visiting.

My wife has told me NO WORK, but perhaps I can engage you as a tour guide of the local brewery s. :-)

Cheers,

David
