Frequently Asked Questions--CABLE TV DESCRAMBLER

Q: Will the descrambler work on Fiber, TCI, Jarrod and satellite systems?

A: The answer is YES. In respect to satellite, you just get more stuff! There is one exception: The descrambler will not work with DSS satellite.

Q: Do I need a converter box?

A: This plan works with or without a converter box. Specific instructions are included in the plans for each!

Q: Can the cable company detect that I have the descrambler?

A: No, the signal descrambles right at the box and does not move back through the line!

Q: Do I have to alter my existing cable system, television or VCR?

A: The answer is no!

Q: Does this work with my remote control?

A: The answer is yes. The descrambler is manually controlled--but very easy to use!

Q: Can you email me the plans?

A: No the program comes with an easy to follow picture guide.

Q: Does this work everywhere across the country?

A: Yes, everywhere in the USA plus England, Brazil, Canada and other countries!

Q: Is this deal guaranteed?

A: Yes, if you are unhappy for any reason we will refund your money.

Q: When I order, when will I get my package?

A: We mail out all orders within 24 hours of receiving them.
