Oh, you should come here to Fort Collins. It's a pleasant
commute, with towering Longs Peak to look at as you drive.
Very nice.

Oh, wait! I've got a house to sell. Very reasonable
(1/3 of what you would have paid for it in the Bay Area
and probably half of what you paid for your house in
Arizona, unless I miss my guess). And I would be willing
to apply the standard discount for readers of the IDL
newsgroup. :-)

Cheers,

David

P.S. Let's just say that the painting isn't going to
be *quite* finished by the time you come round to look at
it if I don't get off this darn newsgroup. :-(
