I finally managed to scrap together some time bits and reorganize my library and my IDL web pages. And I tell you: they have grown!!! Unless I hear from some of the featured library authors that they dislike the way they (and their programs) are presented, you'll find a browsable interface to 11 of the world's most famous IDL libraries and tons of other links at:

Please enjoy!

PS: Fellow web page maintainers: Please update your links to my page.
