Hi Folks,

A number of people have sent me e-mail lately asking about my IDL course schedule. As you know, I teach courses for the fine folks at RSI. Here is my tentative schedule for the rest of the year, as far as I know it.

Sept 20-22 Introduction to IDL Programming - Boulder, CO

Oct 4-6 Intermediate IDL Programming - Boulder, CO

Oct 11-13 Introduction to IDL Programming - Albuquerque, NM

Oct 23-26 Advanced Widget/Object Programming - ENGLAND

Nov 28-Dec 1 Intermediate IDL Programming - Seattle, WA

For details about these courses, you can contact the folks at RSI: [training@rsinc.com](mailto:training@rsinc.com). For the Advance Programming course in England, you can contact Doug Wilson in the RSI UK office: [dwilson@rsinc.com](mailto:dwilson@rsinc.com).

I look forward to seeing you in a course soon. :-)

Cheers,

David
