Folks,

This book bidness is a tuff bidness!

Yesterday Amazon sets a new record and orders 48 books from me. Overnight my Amazon rating drops from 35,000th most popular author to 419,801th most popular author.

Let's just say I hope there are a hell of a lot of books out there under the tree for *somebody*. :-(

Cheers,

David

P.S. What happened!? Did Oprah have a special book show?
