Is this what you are looking for...

```
;; Color 0=black, 1=gray, 2=white  
tv!ct, [0,130,255], [0,130,255], [0,130,255]  
!p.background=2 ;; white background  
contour, dist(30), levels=[10, 20, 30]  
contour, dist(30), levels=[0,20,30], c_color=[1,0], /over, /fill
```
