Dear Ann,

the best is to draw the map again.

Because of some changes of the system variables you should save them.

For this you can use our routines savesysvar() and restsysvar.

http://www.fz-juelich.de/icg/icg1/idl_icglib/idl_source/idl_html/dbase/download/savesysvar.tar.gz
http://www.fz-juelich.de/icg/icg1/idl_icglib/idl_source/idl_html/dbase/download/restsysvar.tar.gz

regards
Reimar
