Subject: Setting history size in idlwave
Posted by markmcg4 on Mon, 03 Dec 2001 11:05:01 GMT

Hey all,

I need a quick fix for setting the size of the history buffer. At the
moment it is set to recall just 32 lines, and for the life of me I
can't see where the emacs/idlwave hook is to set it.

Any help much appreciated!

Slï¿½n,

Mark.
