I am afraid that I cannot accept your generous offer. I am, in fact, rather busy this coming Saturday, and I will not require your assistance in replacing the roof tiles damaged by your falling cat . Evidently, simply strapping a piece of buttered toast to its back did not break its fall and prevent it from leaving ugly scratch marks on the guttering around the side of the house.

But thanks anyway.

(ps. forgive my ignorance, but I cannot determine what your post is about - but did you *really* have to spam hundreds of newsgroups with it?)
