---

Hi,

I tried the following:

```
Array = FLTARR[15]
Time = 123456.123456
Array[0] = Time
Print, Array[0]
```

All numbers after the colon are gone.

Can anyone help ?  
Do i have to use DCOMPLEXARR ?  
Is this problem caused by Pre-Formatting due to the system ?

Regards,  
Oliver
