Folks,

This doesn't have much of anything to do with IDL, expect that I pretty much resolved to give up on IDL and get on with the rest of my life after I finished it, but I just finished reading Barbara Kingsolver's newest book, *Prodigal Summer*. Wow.

Kingsolver now has two books on my Top-Five lifetime list (*Animal Dreams* is the other). This one is only a hair's breath behind Barry Lopez's *Arctic Dreams*, the best book every written, IMHO. :-)

Look for me in the mountains instead of at my computer this summer!

Cheers,

David
