Hi,

OK, thanks everyone for the good replies. I think I got enough information to fix it. I will have some time in the next week to try these ideas out, and get back to you.

> Are you sure those aren't reflections of grey hair in your monitor?

Hey! I am only 24 (But I think I am starting to go bald).

I hope I will be able to walk away from any programming problem that gives me gray hairs, and I do not think this problem is *\*that\** hard.

Ken.
