Subject: axis is too thin? - test.ps (0/1)
Posted by tom on Mon, 24 Jun 2002 14:17:07 GMT

Hi,everybody, I puzzle why the axis is much thinner than the curve.

 x=[0,1,2] & y=[2,0,1]
 plot,x,y,thick=5

would you please tell me how to make the axis thick?

-Tom
