I'm not sure if it's **the** reference, but a reference is

Map Projections -- A Working Manual
U.S. Geological Survey Professional Paper 1395
pp 214 - 229

whd

--

ELOQUENCE, n. The art of orally persuading fools that white is the color that it appears to be. It includes the gift of making any color appear white.

-- Ambrose Bierce: The Devil's Dictionary
