Indeed. Thanks to Andrew and Peter Mason, two Aussies
who know how to have a good time, you can find an
interesting set of programs here:

   http://www.dfanning.com/programs/bell.zip

These are Windows-only, since they use a Windows DLL
written by Peter.

Enjoy!

Cheers,

David

P.S. Let's just say the BEEP command just doesn't
make it anymore in the face of these offerings.
