Research Systems is currently looking for two full-time entry-level test engineers to join our Quality Assurance team. The ideal candidate will have experience in testing procedures and a working knowledge of IDL. We anticipate the project will last for approximately three months.

Please visit our web site <http://www.rsinc.com> for details about this or other positions at RSI. Email your resume to [jobs@rsinc.com](mailto:jobs@rsinc.com)

Thanks,

Pam Pajer  
HR Director
