View Forum Message <> Reply to Message

IDL 6.0 and the IDL Virtual Machine are now available for download at:

http://www.rsinc.com/download/index.cfm

For information on what's new in IDL 6.0 go to:

http://www.rsinc.com/idl/whatsnew.asp

Additionally, an updated version of the IDL 6.0 Microsoft Windows HTML Help
file (idl.chm) has been made available. To read about the reason for this
new version and to download the file, visit:

http://www.rsinc.com/services/techtip.asp?ttid=3544
