David,

> use MAP_IMAGE instead of MAP_PATCH

Thanks a lot for the tip, I ended up using MAP_IMAGE as a workaround
for that particular projection.

> I think this is a bug that should be reported.

So do I, but I couldn't find any bug-report pages on RSI's website.
Should I just e-mail technical support, or is there another way that
I'm not aware of?

Thanks again!
