No but a lot of other stuff:

http://www.fz-juelich.de/icg/icg-i/idl_icglib/idl_source/idl_html/dbase/readme_library_dbase.pro.html
http://www.fz-juelich.de/icg/icg-i/idl_icglib/idl_source/idl_html/dbase/wayne_library_dbase.pro.html

This page

http://www.fz-juelich.de/icg/icg-i/idl_icglib/idl_source/idl_html/idl_work_libraries.htm
is generated by
http://www.fz-juelich.de/icg/icg-i/idl_icglib/idl_source/idl_html/dbase/catalog_dbase.pro.html
and
http://www.fz-juelich.de/icg/icg-i/idl_icglib/idl_source/idl_html/dbase/catalog_db_dbase.pro.html

There are a lot of html routines in the library.
