The current FAQ in HTML format is at:

`ftp://fermi.jhuapl.edu/www/s1r/idl/idl_faq/idl_faq.html`

The same directory also contains a plain text version (compressed and uncompressed). The FAQ is normally posted about the 20'th of each month. Looking at the FAQ I don't see too much on color tables (there is a little bit). Perhaps somebody would like to contribute something in that area.
