Not sure what Dave is doing differently, but the newsgroup spam occurs
too often. Anything you can do to remove some is much appreciated.

Sounds good.
> 2) messages that contain a hyperlink will be filtered out.
Sounds not so good.

Not sure what filtering is available, so can't suggest much except that
would appreciate _some_ filtering.
How about filtering out any email that doesn't mention IDL? ... Well,
that wouldn't work either... not sure what could be done.
How about a simple filter to remove profanity? That would remove some ...

Fearful in Asheville-
