No, they are a standard part of IDL. I use them each
and every day. Couldn't live without them. :-)

> fsc_field and fsc_color?

I've had an overzealous spam filter lately, and I find
quite a few messages I *should* have gotten in there. I
don't believe I have seen this one, actually, sorry. :-(

Could you send it again, and I'll keep my eye out for it.

Cheers,

David
