Or, read the Histogram Tutorial after you throw up  
your hands with the on-line help:

[http://www.dfanning.com/tips/histogram\\_tutorial.html](http://www.dfanning.com/tips/histogram_tutorial.html)

Cheers,

David

P.S. Let's just say it is a good idea to read that tutorial  
a couple of times a year anyway, whether you need to or not!
