Hello,

What would be a fast code for generating arrays such as:

0 0 0 0 0	0 1 2 3 4 5
1 1 1 1 1	0 1 2 3 4 5
2 2 2 2 2	0 1 2 3 4 5
3 3 3 3 3	and 0 1 2 3 4 5

Thank you,
