Subject: Slow Around Here

Folks,

It's pretty slow around here the past couple of days.
Maybe I should ask another LINUX question. :-)

Cheers,

David

P.S. Maybe we could make it into a book club.
Anyone hear read Words and Rules by Steven
Pinker? Hard to say why something like this gets
me excited, but it does. I think I'm going to be
a linguist in my next life. :-)
