Subject: how to draw vector fileld and potential field?
Posted by lixiaoyao on Tue, 19 Apr 2005 17:52:47 GMT

I have a file,it has five columns,the first two columns represent the
position (x,y),the third column represents the pontential energy and
the last two columns
represent the force in the (x,y) direction.how to draw a vector field
and also draw
the contour for the potential field?
  Thanks
