Subject: Re: You have been replaced by a small procedure
Posted by R.Bauer on Sat, 23 Apr 2005 20:11:43 GMT

Btw. we are to familiar. Some time ago I tried to get some answers by an
other group. And I recognized by this how friendly comp.lang.idl-pvwave is.
The people of this group do have talked only like lixiaoyao and it was
forbidden to give any explaination about your request. You should only ask.

If I need some more help from this group I will remeber this piece of code.

cheers
Reimar
