Folks,

Feeling guilty about using free IDL programs and advice and not yet making a contribution to support the less fortunate in the IDL community? Now is your chance to double your contribution and sleep well at night!

Coyote will be contributing all of this month's donations to the American Red Cross to aid the victims of Hurricane Katrina. The Bohemian Fund of Fort Collins will be matching all donations made by September 17th on a one-to-one basis. If you believe in karma (or even if you don't), now would be a good time to stock up. :-)

Cheers,

David
