Folks,

I am not in the habit of soliciting funds, but if you were thinking of making a contribution to Coyote's Guide to IDL Programming, and by extension to the Hurricane Katrina Relief effort, this would be a good time to do it. Coyote is matching all contributions through September 17th, and then the Bohemian Foundation of Fort Collins is matching *those*. Your contribution will grow by 400%!!

We have already raised $\$220 * 4 = \880 for this effort. Thanks to everyone who has contributed.

Best Regards,

David
