Hey David:

Here is what I got-

** Structure !VERSION, 8 tags, length=76, data length=76:

```
ARCH      STRING  'ppc'
OS        STRING  'darwin'
OS_FAMILY STRING  'unix'
OS_NAME   STRING  'Mac OS X'
RELEASE   STRING  '6.1'
BUILD_DATE STRING  'Jul 14 2004'
MEMORY_BITS INT    32
FILE_OFFSET_BITS
          INT      32
```

Hope that helps

Sincerely

Brian A-S
