Folks,

I've had a request to put a picture of Prairie up on my web page, and I've had a rather emotional walk along memory lane finding some pictures that would be suitable. But I've selected a couple with another of her good friends, Jonathan. (Load knows this dog has LOTS of good friends!)

It's on my main page. Move your cursor over it to see the other image. Both of these from way back.

Cheers,

David
