Hi~ all~!

I need to express $v_{\perp}$ on y-title.

I know textoidl. But I could not display the character through it.

Please let me know how to express that special character.

Thank you~

1) perpendicular velocity

```
0      0
0      0
0      0
0 0 0
0      0
      00000
```

And what about parallel symbol?

2) parallel velocity

```
0      0
0      0
0      0
0 0 0 0
0      0 0
      0 0
```
