Here is a recent tutorial on displaying TOMS aerosol data  
on a map:

[http://www.dfanning.com/graphics\\_tips/toms\\_tutorial.html](http://www.dfanning.com/graphics_tips/toms_tutorial.html)

If you poke around this site a little bit, you might find  
one or two other little things of interest. :-)

<http://www.dfanning.com/documents/tips.html>

Cheers,

David
