You may want to have a look at the message-thread started by a user called "Park" on Sun, Feb 5 2006 8:48 am. (Message ID: <1139129303.757406.37190@g43g2000cwa.googlegroups.com>). The thread yields some answers that may or may not be easier than the IDL format codes.
